PROGRAMME AREA**

COMMISSION DOCUMENTS

- The ENI Regulation 07.12.2011
 - Framework for the new CBC programmes
- The Implementing Regulation 19.08.2014
 - Lays down specific provisions for the implementation
 - Details the modalities for the technical and financial management
- The Programme Document 10/2014
 - Defines the eligible territorial area and the financial frame (EU) of the programme
 - Defines the details to be included into each Joint Operational Programme (JOP) document

JOINT OPERATING PROGRAMME (JOP) STRATEGIC OBJECTIVES

Commission has formulated three overarching strategic objectives for CBC Programmes

- A Promote economic and social development in regions on both sides of common borders
- B Address common challenges in environment, public health, safety and security
- C Promotion of better conditions and modalities for ensuring the mobility of persons, goods and capital

Each programme must contribute to *at least* one of these strategic objectives.

JOINT OPERATING PROGRAMME (JOP) THEMATIC OBJECTIVES

Programme's 4 strategic thematic objectives are chosen from the list of 10 given by Commission

- Business and SME development (A)
- Support to education, research, technological development and innovation (A)
- Environmental protection, climate change adaptation and disasters prevention/management (B)
- Promotion of border management and border security (C)

These four themes will be translated into the Programme Priorities.

JOINT OPERATING PROGRAMME (JOP) PROGRAMME PRIORITIES

- Priority 1 Lively, active and competitive economy
- Priority 2 Innovative, skilled and well-educated area
- Priority 3 Attractive, well-being environment and region
- Priority 4 Well-connected region

PROGRAMMING PROCESS - STARTUP

- Launching the Strategic Environmental Assessment (SEA)
- Launching the preparation of possible updates of national legislation
- Procedures for the national co-financing
- Negotiations about the structure and content of the Financing Agreement

PROGRAMMING PROCESS - NEXT STEPS

- Regular meetings with the Regional Task Force and working groups of each topic
- Meetings of the Joint Programming Committee (JPC)
- Active communication for relevant stakeholders
- Public hearing of the Joint Operating Programme (JOP)

PROGRAMMING PROCESS - FINALIZING STEPS

- Collecting the agreement letters from the participating countries
- Submitting the JOP accompanied by the agreement letters to the Commission
- Commission assessment on the proposal within 6 months period
- Finalizing and signing of the Financing Agreement between participating countries and Commission
